

Murder Mystery dinner

The so popular elsewhere “Murder Mystery dinner party” will immediately grab your heart here as the secret dinner will be held in the restaurant “Vecpūsis”. How is it going to take place? Each guest receives a detailed description in the invitation, as well as basic information about the party. It serves as an explanation of how the events of the evening will unfold. Guests arrive at the party dressed as specified, behaving and acting as requested in the description of the invitation received. THEN THERE TAKES PLACE A MURDER!!! After this unfortunate event the investigator sets to work, tells about any further developments and questions the audience, at the same time maintaining tension. With the help of the investigator the dinner guests consider evidence before they solve the murder and find the guilty person.

The event is great for private companies or small business groups appreciating delicious food, interesting conversations and thrilling challenges.
